RWANDA NATIONAL UNITY AND RECONCILIATION COMMISSION

(NURC, 2020)

Mission: To Promote Unity, Reconciliation, and social cohesion among Rwandans and build a country in which everyone has equal rights and contributing to good governance.

Project Background

In 1994 the Rwanda genocide lead to up to one million Rwandans death in just over 100 days, due to the inter-ethnic conflict.

Projects main activities:

- Peace education programme in solidarity camps (1999-2009)
- Promote Rwanda values and cultivate leaders (2007 - 2009)
- Seminars: training of political party leaders, youth, women in trauma counselling, conflict mitigation and resolution
- National summits: justice, good governance, human rights, national security and history
- Further research to investigate the cause and how to mitigate and resolve

Students take time to reflect on their country's past during a commemoration for teachers killed during the genocide.(Carol Allen-Storey/International Alert, 2020)

Awareness & Collaboration

Training leaders and facilitating collaboration towards one common goal. Facilitation allows stakeholders to develop their own opinions.
